**HOW TO GET YOUR TEENAGER TO BE MORE RESPONSIBLE**

**9 – 10:30 AM**

**Max Yusim, LCSW**

Learn the counter-intuitive world of how adolescents learn responsibility. Parenting a teenager is a true paradox in that the only way to teach accountability is to allow them to learn it themselves. Max presents common problem scenarios that parents and teenagers face everyday and demonstrates the kind of parenting responses that are effective as well as the ones that just plain don't work.

Please come again if you've already seen Max at the last presentation. You'll have many more opportunities to practice.

**Max Yusim has a private practice in Greenbrae for adolescents and their families. He is presently in the process of completing his first book titled: *Swimming alone: Lessons on how teenagers learn responsibility.***
